AMERICA'S LEADING REVIEW

93.00 PER YEAR. 25c. a Number. For Sale Everynhore. *****

THE FORUM will take up for discussion, during 1895, an unusually wide range of timely and important topics by the most eminent writers in the fields of Politics, Finance, Sociology, Literature, Religion, Art, and Science.

To read The Forum is to keep in touch

To be without The Forum is to miss the best help to clear thinking.

A catalogue of the writers who have contributed articles to THE FORUM in the past would embrace practically every man of eminence in America, and most of those in Europe. A list of subjects treated would cover in the widest degree all topics of contemporaneous interest. THE FORUM is therefore of inestimable value to any one who desires to keep closely in touch with the best of current thought.

In consequence of M. Dreyfus' treason in supplying Germany with the secrets of the French plans of mobiliza-tion says a Paris correspondent, the got summent has just spent more than \$400,000 in changing all the essential features of the schemes for placing troops in case of war. It has been found that fully 15 per cent of the men drafted for the Madagascar expedition are phys-ically unfit for the ardness service, and their places are being filled. Already it is apparent that the campaign will oost \$25,000,000 Instead of \$13,000,000.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a con-stitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroy-ing the foundation of the disease, and ing the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A Discovery. It has remained for the public library ommittee of the English town of Ealing to discover that Mr. Hall Caine's latest novel, "The Manxman," is a highly improper and immoral book. The committee have unanimously voted to withdraw it from circulation. The clergyman who is chairman denounced it as disgraceful. A woman member declared it to be shameful.

The State Commander writes us from Lincon, Neb., as follows; "After try-ing other medicines for what seemed to be a very obstinate cough in our two children, we tried Dr. King's New Discovery and at the end of two days the cough entirely lest them. We will not be without it hereafter as our experience proves that it cures where all other remedies fail,"—Signed F. W. Stevens. exclaim thousands of people who have taken Hood's Sarsaparilla at this season of the year, and who have noted the success of the medicine in giving hem relief from that tired feeling, waning appelite and state of extreme exhaustion after the close confinement of a long winter season, the busy time attendant upon a large and pressing business during the spring months and with vacation time yet some weeks distant. It is then that the building-up powers of Hood's Sarsaparilla are fully appreciated. It seems perfectly adapted o overcome that prostration caused by change of seasen, climate or life, and while it tones and sustains the system, it purifies and vitalizes the blood.
